Funding of Additional Pension through a Shared Cost Additional Pension Contribution - Where an active Scheme member wishes to purchase extra annual pension up to the maximum by making Additional Pension Contributions (APCs), the employer may choose to (voluntarily) contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).	Regulation 16 (2)(e) and/or 16 (4)(d)	Additional pension contributions will not normally be funded in whole or in part by CLPT. Any such payments would only be granted in exceptional cases having considered the individual circumstances of the application.
Flexible Retirement - This regulation allows the employer to consent to the early release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.	Flexible retirement, Regulation 30 (6)	The Trust may wish to consider permitting members to take flexible retirement whilst continuing to work for CLPT where there is no additional cost to CLPT. Any reductions in pension benefits will be borne by the employee and not CLPT.
Waiving of actuarial reduction - This regulation allows the employer to consent to the early	Regulation 30 (8)	Due to additional costs to CLPT the Trust would not normally waive in whole or in part any reduction applied to individuals drawing their pension
