LOCAL GOVERNMENT PENSION SCHEME REGULATIONS 2014

EMPLOYER DISCRETIONS POLICY STATEMENT

Discretions of the Employing Authority

COMPULSORY DISCRETIONS		
Main Purpose of Regulation	Regulation	Discretion Exercised
Funding of Additional Pension through a Shared Cost Additional Pension Contribution - Where an active Scheme member wishes to purchase extra annual pension up to the maximum by making Additional Pension Contributions (APCs), the employer may choose to (voluntarily) contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).	Regulation 16 (2)(e) and/or 16 (4)(d)	Because of the costs involved and the likelihood of this provision either being of little or no benefit to the council, the council would not normally expect to exercise its discretion to fund additional pensions for members either through regular contributions or lump sum contributions. However, each and every application will be considered in the light of the circumstances of the individual case concerned and a decision reached on the merits of that case
Flexible Retirement - This regulation allows the employer to consent to the early release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.	Flexible retirement, Regulation 30 (6)	Approval of any application for either full or partial flexible retirement will only be considered on a cost neutral basis and for the avoidance of any doubt the Authority will neither waive any actuarial reduction that would otherwise apply to the retirement benefits, nor accept cases that would result in pension fund strain costs being incurred
Waiving of actuarial reduction - This regulation allows the employer to consent to the early	Regulation 30 (8)	Because of the additional costs involved to the council of waiving the actuarial reduction to member benefits in cases of voluntary

<p>release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.</p>		<p>retirement it is not envisaged that the council would normally exercise its discretion in favour of waiving those reductions. However, each case will be considered on its merits and with reference to the circumstances involved of the individual concerned.</p> <p>A potential exception to this policy would be where the individual can make a case for the waiving of such a reduction to be granted on compassionate grounds. An example of "compassionate grounds" may be where the member has been forced to cease work to take up a caring role for an immediate family member, although it is recognised that other grounds could and may exist.</p> <p>Every application will be considered on the circumstances of the individual concerned. Financial hardship alone would not constitute "Compassionate grounds"</p>
<p>Switching on the 85-year rule for members voluntarily drawing benefits on or after age 55 and before age 60 -</p> <p>Whilst the 85-year rule does not automatically apply in full if the employee decides to voluntarily draw benefits on or after age 55 and before age 60, this</p>	<p>Schedule 2 of the Transitional Regulations.</p>	<p>Because of the potential retrospective impact on the 2013 Fund Valuation and the future additional costs that the exercise of this discretion would bring to the council, it is not anticipated that there will be any instances where the organisation will switch on the rule of 85 for members wishing to retire voluntarily between the ages of 55 and 60. However, every application will be considered on its individual merits and the circumstances involved</p>

<p>regulation allows the employer to switch the rule back on.</p> <p>If the employer switches on the 85-year rule they will pick up any strain on Fund cost.</p>		
<p>The power of employing authority to award additional pension - this regulation allows an employer to resolve to award a member an amount of additional pension, up to the LGPS maximum, to an active scheme member or within 6 months of leaving to a member whose employment was terminated on the grounds of redundancy or business efficiency.</p>	<p>Regulation 31</p>	<p>Because of the costs involved and the likelihood of this provision either being of little or no benefit to the council, then the council would not normally expect to exercise its discretion to award additional pension to members. However, each and every application will be considered in the light of the circumstances of the individual case concerned and a decision reached on the merits of that case</p>
