Funding of Additional Pension through a Shared Cost Additional Pension Contribution - Where an active Scheme member wishes to purchase extra annual pension up to the maximum by making Additional Pension Contributions (APCs), the employer may choose to (voluntarily) contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).	Regulation 16 (2)(e) and/or 16 (4)(d)	The company will consider each case equally and fairly on its own merits and this discretion will only be exercised in cases where it can be demonstrated that the relevant business unit can fund the cost within the payment period required by the Scheme and that it is in the interest of the Company. The discretion may be exercised by those nominated to do so - those of a grade equal to or higher than Senior Contract Manager.
Flexible Retirement - This regulation allows the employer to consent to the early release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.	Flexible retirement, Regulation 30 (6)	The company will consider each case equally and fairly on its own merits and this discretion will only be exercised in cases where it can be demonstrated that the relevant business unit can fund the cost within the payment period required by the scheme and that it is in those of a grade equal to or higher than senior contract manager.
