

Whether you want long lazy days, or long party nights- exercise your rights and plan a safe and secure future with the

Local Government Pension Scheme

....for you and your family

SAFE, SECURE, RELIABLE. SAFE, SECURE, RELIABLE. SAFE, SECURE, RELIABLE. SAFE, SECURE, RELIABLE

BENEFITS AT A GLANCE

- 1 Your employer shares the cost of your contributions
- 2 Life cover of three years pay from the second you join
- 3 Tax relief on all your contributions
- 4 The option to take a tax free lump sum
- 5 No hidden fees or charges
- 6 No investment risk
- 7 Protection for you in case you have to retire through ill-health
- 8 Protection for your family in the form of pensions for dependents if you die
- 9 Once you are drawing your pension it will increase in line with inflation
- 10 At retirement you will receive a pension payable for life

Log on to lgps.org.uk for full details

HOW DOES THIS COMPARE WITH OTHER PENSION SCHEMES?

- If you have a personal pension your employer is unlikely to contribute anything towards your pension payments
- With some schemes you will have to pass a medical in order to receive life cover – ours is open to all– with no medical required
- With some pension schemes you could be paying into something that has a high investment risk
- Other pension scheme payouts are not guaranteed to increase with inflation

For more details of the benefits you are entitled to contact South Yorkshire Pensions Authority simply by doing any of the following- whichever is easiest for you

Phone on 01226 772923
