Discretions of the Employing Authority

COMPULSORY DISCRETIONS		
Main Purpose of Regulation	Regulation	Discretion Exercised
<p>Funding of Additional Pension through a Shared Cost Additional Pension Contribution - Where an active Scheme member wishes to purchase extra annual pension up to the maximum by making Additional Pension Contributions (APCs), the employer may choose to (voluntarily) contribute towards the cost of purchasing that extra pension via a Shared Cost Additional Pension Contribution (SCAPC).</p>	<p>Regulation 16 (2)(e) and/or 16 (4)(d)</p>	<p>Because of the costs involved and the likelihood of this provision either being of little or no benefit to the Trust, or not being vital to the support and application of the Trusts business plan and strategy, then the Trust would not normally expect to exercise its discretion to fund additional pensions for members either through regular contributions or lump sum contributions.</p> <p>However, each and every application will be considered in the light of the circumstances of the individual case concerned and a decision reached on the merits of the case.</p>
<p>Flexible Retirement - This regulation allows the employer to consent to the early release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.</p>	<p>Flexible retirement, Regulation 30 (6)</p>	<p>Under the discretions in the Local Government Pension Scheme Regulations, the Trust will consider requests for flexible retirement from employees where the request supports WPT in its efforts to run its business and services in the most efficient and cost-effective manner.</p> <p>Actuarial reductions on flexible retirement will not be waived.</p>

COMPULSORY DISCRETIONS

Main Purpose of Regulation	Regulation	Discretion Exercised
<p>Waiving of actuarial reduction - This regulation allows the employer to consent to the early release of all, or part, of a member's LGPS benefits provided they have also consented to the reduction of hours worked or grade in which the member is employed. The member must be aged 55 or over.</p>	<p>Regulation 30 (8)</p>	<p>Because of the additional costs involved to the Trust of waiving the actuarial reduction to member benefits in cases of voluntary retirement it is not envisaged that the Trust would normally exercise its discretion in favour of waiving those reductions.</p> <p>However, each case will be considered on its merits and with reference to the circumstances involved of the individual concerned.</p>
<p>Switching on the 85-year rule for members voluntarily drawing benefits on or after age 55 and before age 60 -</p> <p>Whilst the 85-year rule does not automatically apply in full if the employee decides to voluntarily draw benefits on or after age 55 and before age 60, this regulation allows the employer to switch the rule back on.</p> <p>If the employer switches on the 85-year rule they will pick up any strain on Fund cost.</p>	<p>Schedule 2 of the Transitional Regulations.</p>	<p>Because of the potential retrospective impact on the 2013 Fund Valuation and the future additional costs that the exercise of this discretion would bring to the Trust, and the fact that the Trust does not deem the exercise of this discretion to be necessary in the pursuit of its overall business plan and strategy then it is not anticipated that there will be any instances where the organisation will switch on the rule of 85 for members wishing to retire voluntarily between the ages of 55 and 60.</p> <p>However, every application will be considered on its individual merits and the circumstances involved</p>
